The next meeting of the Devon & Somerset Twinning Circle will be hosted by Uffculme Twinning Association on Saturday 25th April 2026 at Uffculme Village Hall. The event will start at 12:30, to allow time to socialise, before lunch is served around 13:15. After lunch, there will be a talk by Martin Halse, CEO of Coldharbour Mill. For those who don't know the Mill, it was originally owned by Fox Brothers and started producing woollen cloth in 1797. Today it's one of the finest working wool museums in the country.

If you plan to only attend the meeting and not take lunch, it would be appreciated if you would advise Amanda Weldon to ensure there is sufficient seating.

How to book and pay for your lunch

The 2-course lunch costs £15 per person and includes tea or coffee

The menu choices are as follows:

First Course

Chicken and leek pie with seasonal vegetables

or
